While on Easter break, Bond's adventure continues in the Highlands of Scotland Teaming up with Red Kelly, James finally reaches a castle and a loch and discovers a deadly secret.. This is an accessible introduction to bonds by a financial professional whose first book - as unlikely as it may seem - was a study of Max Jacob, the French poet.. Not Annette Thau Whether you are an individual investor trying to balance your portfolio with bonds, or a student of finance looking for a more lucid explanation of the subject than you can find in your textbooks, getAbstract highly recommends this book to you..
